

The Paducah Evening Sun.

VOL. XXV NO. 83.

PADUCAH, KY., WEDNESDAY EVENING, APRIL 7, 1909.

TEN CENTS PER WEEK

CITY WAGONS ARE BUSY MOVING THE BIG TRASH PILES

Boys Have Enlisted Friends and Neighbors in Contest for Gold Watch.

Soliciting Orders for Shade Trees Already.

CASH PRIZE FOR CLEANING

Boys, especially, are taking interest in the contest for gold watches offered by Mayor Smith for the largest trash pile, the greatest extent of whitewashed surface and soiling the most shade trees.

The trash pile contest got under way most quickly, and the street department already has hauled more than 20 loads which are credited to a number of contestants. The boys took the tip from The Sun and have enlisted their friends in collecting trash and giving them credit. The trash must be piled in boxes or barrels on the street, and the driver will take the name of the boy to whom credit is to be given. Records are being kept by the card index system, and cards can be secured from Miss Adine Morton, Miss Elizabeth Sinnott or Mrs. Charles Kiger.

Schmaus Bros. already have one boy out canvassing for trees. The boy selling the most shade trees will be given a gold watch. He must produce a certificate from the purchaser and freight or express receipts for the number. Boys may secure agencies for nurseries and get good commissions for their sales, besides standing a chance of winning the gold watch. Here are a few good concerns: The Peters Nursery, Knoxville, Tenn.; L. L. May & company, St. Paul; Starks Bros., Louisville, Mo.; Moon & company, Morrisville, Pa.; A. R. Root, Medina, O.

The whitewashing contest is moving more slowly, retarded greatly by the weather. The boy who whitewashes the most surface of outbuildings and fences will receive a gold watch. If neighbors and friends will whitewash around their premises and give credit to the contestant, that will count.

Cash Prizes.

Quite a number of people are interested in the improvement contest. For the premises which show the greatest amount of improvement in the way of neat repairs, painting, whitewashing, sodding, planting, setting out trees, improving walks, etc., \$35 in cash will be awarded. A second prize of \$15 is offered. This contest is so regulated that the neighborhood and the character of residence will not be considered, but only the improvements made since April 1.

The contest will close April 30, and the awards will be made May Day.

MRS. EULA WYATT DIES AT HOME AT CALVERT CITY

Mrs. Eula Wyatt, 38 years old and wife of William Wyatt, died yesterday evening at 7:30 o'clock at her home at Calvert City, after a brief illness. Mrs. Wyatt is survived by her husband and seven children. The funeral was held this afternoon at 2 o'clock. The burial was at the Folk cemetery.

Mayor Is Arrested.

Lake View, Ohio, April 7.—Mayor Charles Miller and four other citizens were arrested here today on a charge of conducting "blind tigers." The mayor was elected on the "dry" platform.

No Compromise.

Henry Bennett is in Paducah rounding up witnesses for the prosecution of the damage suit against the alleged night riders. Although Mr. Bennett says the defendants are anxious to compromise, no settlement has been effected. Attorney Wheeler Campbell is still at Princeton in conference with attorneys representing the defense.

Alibi will be the defense in the Henry Bennett night rider suit. Marshall Elwood Neel returned today from Benton, where he served subpoenas on many witnesses for the defense, and this afternoon he left for Hopkinsville and Cordz with a wholesale supply of subpoenas.

MANY FISHERMEN PERISH.

Berlin, April 7.—Ten fishing vessels founded today in a gale on the Baltic and forty of the crew were drowned. The gale is the hardest of the year.

Berlin, April 7.—A huge iceberg on which 1,500 Russian fisher men were working near Higa, suddenly was driven into the open sea. Thirty-seven were able to escape, according to a dispatch to Higa. It is believed many drowned.

Boats are following the berg in hope of rescuing the men imprisoned on it. It is believed the berg turned over when it hit the open sea. The men were fishing from it and it seemed firmly frozen to the shore. They were lunching without warning. The loss of life will be between 1,400 and 1,500.

Jockey Fatally Injured by Falling From Horse at Fair Grounds and Striking His Head Against Post

Little "Knucks Ginger" May Never Ride Another Mount—Skull is Fractured and He is Still Unconscious.

While exercising "Dan Bailey," a race horse, "Nuts Ginger," a jockey 25 years old, probably was fatally injured this morning at the race track. Ginger has a fractured skull and his right leg is fractured. A hasty examination of the wounds was made, while this afternoon the doctors are making a thorough examination, but it is thought that the chances are against the boy's recovery. He has not regained consciousness since the accident.

Ginger was riding the horse when it became frightened and ran away. He remained in the saddle, but by a lunge the jockey was thrown against a post and his skull fractured and right leg fractured. He was given temporary medical attention, but was brought to Riverside hospital about noon and Dr. Blythe was called.

Ginger's home is in Elizabethtown, Ill., but he has been in Paducah about a year, having been riding horses at the race track, "Dan Bailey" is owned by Clarence Dickerson.

This is the second jockey injured at the race track this year, as "Snowball" injured his back last week by falling from his mount.

Strike Situation

Chicago, April 7.—While preparations are being made by labor organizations to spread the strike of wholesale grocery employees, conditions today favored adjustment of troubles with other unions, and the building contracting firms. It is said the master steam fitters and journeymen with their employers reached an agreement.

Mr. Henry Dryfuss, of Kentucky avenue, who has been seriously ill for four weeks, is slightly improved today.

MAY WHEAT JUMPS ABOVE GATES RECORD PANDEMONIUM REIGNS IN CHICAGO PIT

Chicago, April 7.—May wheat started to soar again today. The market opened, jumping to 124 and 125 1/2, which is 3 1/2 higher than the highest of the Gates corner in 1905. The opening was exciting. The volume of trading was large. July advanced from 2 1/2 to 2 3/4. For the first hour there was pandemonium in the pit. James A. Patton was in his office all morning and personally directed the day's campaign.

Wheat Average.

Washington, April 7.—The crop reporting board of the agricultural de-

WEATHER.

Generally fair tonight and Thursday, colder tonight with temperature about freezing. Highest temperature yesterday, 77; lowest today, 52.

SMALLER SCHOOL BOARD IN CITIES OF SECOND CLASS

Paducah, Covington and Newport probably will unite in asking for an amendment of the charter, providing for the election of five school trustees from the city at large, instead of two from each city ward. Secretary Arch T. Sutherland, of the Paducah school board, has received replies from trustees in Covington and Newport, assuring him of their hearty co-operation in the effort to secure a reform. Investigation has shown that where smaller boards are experimented with they have proven much more satisfactory, especially where they are appointed by the mayor or elected from the city at large. State Superintendent Crabbe also has communicated with Mr. Sutherland, commending the idea, and suggesting that he secure united action of all the cities of the second class and present the matter before the commission engaged in preparing a revision of the school code for the next assembly. The Woman's club of Paducah has taken up the matter and this city will be active in furthering the reform.

Sampson Case

Lyons, N. Y., April 7.—Mrs. Allyn, mother of Mrs. Georgia Sampson, charged with the murder of her husband, probably will take the stand today against her daughter. The entire case hinges on her testimony.

Mrs. Georgia Sampson was all smiles when she entered the court room this morning and was told by her attorney the state is not making the case it promised. The evidence of doctors tended to prove the contention of the defense that Harry Sampson committed suicide.

Postoffice Plans

Plans for the first floor of the post-office have been received by Postmaster F. M. Fisher from Washington, and it is assured that the work of remodeling the Paducah postoffice is a matter that will be attended to in a short time. Only a few minor changes were ordered in the plans. The plans for the second floor are being drawn now.

LUMBER TARIFF FIXED BY SENATE COMMITTEE TODAY

Washington, April 7.—The house committee on the whole today overwhelmingly voted to retain the duty on barley of 15 cents per bushel fixed by the Payne bill. Four amendments, one by Miller, of Kansas, were voted down. The duty of 25 cents per bushel on barley malt was agreed to today in the house.

Lumber Rate.
Washington, April 7. (Special).—The senate committee has agreed to put tariff of \$1.50 on lumber.

LAMOORE SAYS HE WAS THREATENED AND WAS FEARFUL

That is Why He Shot and Killed Debs Mason at His Saloon.

Eyewitnesses Observed No Quarrel in Progress.

ARGUMENTS THIS AFTERNOON

Arguments are being made this afternoon in the preliminary trial of Pat Lamore, who is charged with the murder of Debs Mason. The defense sought to prove that Lamore's life was in danger by previous threats of Mason, and sought to justify the shooting by the movement of Mason to his pocket. The question of bail is the main question before Police Judge D. A. Cross.

For the first time Lamore told his story this morning. When placed on the stand he gave a detailed story of the trouble he and Mason had, and of the cutting affair about eighteen months ago. He said that this difficulty had been patched up, and they had shaken hands and agreed to be friends. He said that Mason went to his saloon, drank, and frequently became boisterous, and on frequent occasions he had ordered him out.

Last Friday, Lamore said, Mason was in his saloon several times, and during the day friends had warned him to be on the watch, as Mason was going to get him. Lamore said about 11 o'clock in the morning he left the saloon and went to his room above the bar to avoid trouble with Mason. About 3 o'clock he went down from his room, and he said that later Mason walked through the saloon without saying anything to anyone.

The last entrance of Mason to the saloon was about 5:30 o'clock, and after walking into the main part of the saloon he stood at the bar. Lamore said he asked Mason what he would have, when an oath was ripped out, and he said "I'll show you what I'll have." With this, Lamore alleges, Mason reached to his pocket. Without losing a second, Lamore grabbed from a sink under the bar, a pistol, that he purchased ten months ago, and fired three shots in rapid succession. He said he saw Mason fall to his hands and knees, and then he ran out behind the bar to see what had become of Mason, and to find out whether the shots had killed him. After seeing Mason in the alley, he says, he returned behind the bar.

Cross-Examined.

Lamore was submitted to a severe cross-examination by the attorneys for the commonwealth. Particulars where Lamore said he left the saloon to prevent trouble was aired. Lamore said he had drunk only a few drinks that day.

Patrolman Aaron Hurley was introduced by the defense, and Hurley swore that he had heard Mason make threats on the life of Lamore, and that he had exhibited the knife with which he cut Lamore. On cross-examination Patrolman Hurley admitted he never secured a bench warrant for Mason, and said the only thing he did was to warn Lamore. He said he carried Mason away from Lamore's saloon frequently to avoid any trouble, owing to the bad feeling.

Will Shearer was introduced, and said he saw Mason with a pistol and a bottle of whisky, and that Mason threatened to kill Lamore. James Whitledge testified that he had heard Mason make threats on the life of Lamore.

Lamore said Mason stabbed him about fifteen months ago in the saloon, Third and Norton streets, where the killing took place. At that time he said he never had trouble with Mason, who was drunk and broke into the general conversation in the rear, concluding by catching Lamore and slashing him in the face, neck and body.

He said Mason left, but wrote to him, acknowledging the fault, and saying he was not afraid to return. They patched up peace on Mason's corner and Mason became a regular customer at the saloon, often helping himself when drunk to beer and soup without offering to pay for them. Lamore said he had requested Mason to keep out of the place.

Other Witnesses.

Deputy Coroner Fred Roth described the wounds of Mason. Bernie Augustus and Fred Berger were in the rear room and heard nothing until the shots. Pete Dunn and Charles King were standing at the bar talking and heard no quarrel, until they heard the shots. King had walked to the door, leading into the back room when the shot was fired, and less than a minute before had passed Mason and Lamore, who were standing at the rear of the bar, and he heard no words that attracted his attention.

ZEPPELIN TRIAL.
Berlin, April 7.—The Zeppelin airship landed today after another 24 hours' endurance failure. It was up 14 hours. The count was not aboard. The military crew was in charge.

FROST PROBABLE.
Washington, April 7.—The weather bureau today in a special bulletin says a frost is likely to occur in the interior of the gulf and South Atlantic states.

ILLINOIS DEADLOCK.
Springfield, Ill., April 7.—No change in the senatorial situation this morning. Senator Hopkins and Congressman Lorimer are here today, but failed to arouse any new interest. The sixty-seventh ballot was: Hopkins, 75; Foss, 15; Shortell, 17; Stringer, 33; Williams, 28. Democrats cast a complimentary vote for Judge Guy R. Williams, of Havana.

GOVERNOR OF PORTO RICO.
Washington, April 7.—President Taft offered to governorship of Porto Rico to ex-Representative George Landis. The position was recently offered to James Watson and refused.

SHEEP MEN IN ARMS.
Ceyenne, April 7.—A pitched battle between a large posse of gun fighters and fifteen raiders, who murdered three sheep herders at the mouth of Spring Creek, in the Horn country, is expected momentarily. The sheep men's association offered \$1,000 reward and a posse has gone in search. They declared the murder is the result of a revival of the old fight between sheep and cattle men.

ST. LOUIS RESULT.
St. Louis, April 7.—Frederick H. Kresmann was elected mayor of the city yesterday by 11,643 majority. The entire Republican ticket was elected.

ROCKEFELLER HIS LAWYER'S IDEAL OF RIPE PERFECTION

St. Louis, April 7.—John G. Milburn, chief counsel for the Standard, today resumed his argument against granting the injunction asked for by the government. He says Rockefeller's success begets jealousy. He believes rivals have taken advantage of an opportunity to give false evidence. His answer will consume all of today.

Moritz Posenenthal will follow, then David T. Watson. John Johnson will conclude and present the hurtful consequences of a decision against the Standard. Kellogg will conclude in rebuttal.

"I see neither a revolution if the Standard wins, nor industrial anarchy nor mob rule, if the government wins," said Milburn today.

The genius of Rockefeller, Flagler and associates not ruthless methods in crushing competition is the real reason for the growth of the Standard. They saw the evils of young and growing industry could be eliminated by coming together. By wisdom these men saved Cleveland from being wiped off the map.

Milburn spoke of the honesty of Rockefeller. He said no person ever sold anything to the Standard but he received full value. The early history of the company shows it has been in a constant fight with railroads to protect the oil industry around Cleveland.

They took the refineries and pipe line at the figures of A. J. Cassatt, formerly president of the Pennsylvania railroad. Whenever they took an old-fashioned refinery they put on capital and modernized it. The Standard is like a human body. There must be co-operation of the parts. To eliminate any parts would be like dismemberment, amputation, destruction of the organism. The Standard's acquisition of numerous companies was by honorable method, Milburn said.

Standard Aids Industry.
St. Louis, April 7.—John G. Milburn, of New York, the Standard Oil company's chief counsel of record, yesterday afternoon commenced the presentation of the defendant's side if the case in the government's suit

standing at the rear of the bar, and he heard no words that attracted his attention.

Ed. Shelton was in the rear room at the end of the bar and had a full view of the front. He heard no quarrel.

When Mason was shot he staggered through the door into the back room, saying: "What are you doing?" He then staggered on out back and fell down.

CYCLONE SWEEPS CALLOWAY COUNTY, KILLING ONE MAN, DESTROYING MUCH TOBACCO

Isaiah Ballance Blown From House Into Barnyard and There Crushed to Death.

POSSIBLY HUNDRED TOBACCO BARN ARE WRECKED AND CONTENTS STREWN OVER MILES AND RUINED.

Salesman For Paducah House Has Exciting Experience Trying to Escape From Big Wind.

Murray, Ky., April 7. (Special).—Tobacco barns through a strip five miles wide in eastern Calloway county were blown down and their contents strewn over the country by a cyclone, which visited that section yesterday afternoon. Isaiah Ballance, eighty-four years old, was killed and his sister, who is ninety-four years old, is suffering from the shock. The section visited centers about Cherry, half way between Murray and the Tennessee river.

Mr. Ballance was crossing the open hall from one side of his double log house to the other, when the wind struck. He was swept from the hall into the barn yard, where he was pounded by flying logs from his stable. Mr. Ballance was a sharp shooter in the Confederate army, and, it is said, he kept a record of the men he killed and the circumstances. He had killed more than a hundred.

Nearly all the tobacco barns were full of tobacco and the loss to the farmers is incalculable, as the tobacco was blown miles by the wind, and ruined. It is estimated that fully 100 barns were wrecked.

There were many narrow escapes. Barbour McElrath, salesman for Covington Bros., of Paducah, was approaching Cherry in a buggy, when he observed the cyclone. The driver urged the horse, but it was too late. Then Mr. McElrath jumped out and ran for it, losing his coat. He has not found the garment since, as the wind carried it away. The buggy and horse were bowled over, and the driver was severely hurt.

STORM AT HOPKINSVILLE.

Hopkinsville, Ky., April 7.—(Special).—A terrific wind storm in this county did much damage. Houses were unroofed and blown over and several people were injured in Hopkinsville. The hotel at Cerulean Springs was badly damaged.

Near Joliet.

Joliet, Ill., April 7.—A windstorm did thousands of dollars damage last evening at Joliet. There was no loss of life. A frame building collapsed, killing many head of cattle housed in it. The front wall of a brick residence occupied by John Baker fell out. The roof of a hardware store blew off and dropped on Fred Grown's residence causing that roof to fall in. Sidewalks, fences, trees, telegraph and telephone poles were torn up.

Killed By Lightning.

Waterloo, April 7.—While driving in a buggy today near La Porte, Iowa, Benjamin Brandt, aged 16, was killed by lightning that slew both his horses and demolished the buggy. Brandt's body was severely burned.

Storm in Indiana.

Kokomo, Ind., April 7.—A destructive storm struck this locality last night. At Miami, the Masonic temple and several other buildings were badly wrecked by the wind. The farm residence of Mrs. Gammons, eight miles west of Kokomo, was blown down and the family of six was caught in the wreck and all injured. One daughter, Clara, was killed.

Tornado Near Des Moines.

Des Moines, Ia., April 7.—A tornado visited Jasper county. John Kennington was injured when his house collapsed. Others injured are: John Tiedji, Ernest Griebel.

Five Killed in Storm.

Memphis, April 7.—Five persons are known to have been killed, four injured and others are buried among the debris of the Illinois Central depot, which was demolished by a tornado which swept Aberdeen. Dead: W. C. McMillan, president of a bank at Aberdeen; T. C. McMillan, cotton buyer; three negroes, unidentified.

Storm Stops Funeral.

Peoria, Ill., April 7.—Rain and wind storm did thousands of dollars of damage in this city, but no persons were seriously hurt. Just as the casket containing the body of Mrs. Johannah Krump was being placed in the hearse the storm broke and the pall bearers were forced to leave their burden in the street and save the occupants of the carriages from serious runaways. Near Pottstown several buildings were demolished.

Storm at Toledo.

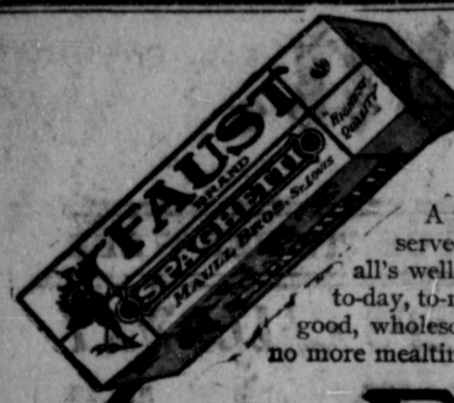

The roof of the main building of the Toledo and Massillon Bridge company was picked up and dropped a mass of broken timbers in the building. The damage is \$5,000. Telegraph service is badly damaged.

Former Mayor Missing.

Madison, Wis., April 7.—G. Becker, formerly mayor of Stoughton, has been missing two weeks. Police in many cities are searching.

In Livingston Jail

Captain Harry S. Davis and Saddy Emeal, of the steamer "Liberty," who were arrested at Metropolis and brought back to Paducah yesterday afternoon in the hope of making bond, accompanied Deputy Sheriff Champion to Smithland. The prisoners did not want to go to Smithland, as they were afraid violence would be offered them. Captain Davis has been in communication with Judge B. W. Bagby this morning in an effort to be released from the Livingston county jail.

The Food That Always Makes a Hit

A treat to-day loses its charm to-morrow unless it can be served a different way. But get variety into your meals and all's well. For example, try Faust Spaghetti. Serve it this way to-day, to-morrow another way. There's no end to the making of good, wholesome, nourishing dishes—no more cooking worries—no more mealtime complaints if you use

FAUST BRAND SPAGHETTI

It never fails to make a big hit. First course or last course, noon meal or evening meal, weekday or Sunday, once a week or once a day—it not merely satisfies—it delights. Also means economy—a wonderfully nourishing food at a remarkably low price.

Sold in packages only—five and ten cents—nearly all grocers.

Book of twenty-three recipes sent free on request.

Write for it to-day

Faust Spaghetti with Eggs

Mix two hard-boiled eggs chopped fine with one-fourth pound boiled Faust Spaghetti; season with salt and pepper and a little made mustard if desired; cover with milk and buttered crumbs and brown in a quick oven.

PAYNE AND CLARK LEADERS OF HOUSE

Personal Appearance of Two Prominent Men.

Are Principal Figures in the Tariff Discussion Now Going on in Congress.

MUCH BEEF AND MUCH VOICE

Washington, April 7.—There are two leading performers in the drama, or farce—take your choice—of revising the tariff, which is now holding the boards in the house of representatives.

Of course, Sen. Elsha Payne, of New York, author of the bill and Republican floor leader, gets most of the spot light. But just the same Champ Clark, of Bowling Green, Mo., the minority leader, breaks into the piece at frequent intervals and speaks his part with gusto.

Serenio Elsha is a large, rotund party. He probably hefts the scale at 275 pounds. A plentiful share of white hair clings to his massive head, and a white moustache just matches his white eyebrows on a quizzical, kindly face.

It is a study to watch Payne's face while he is speaking. His eyes twinkle and shine, and funny little wrinkles play about his mouth when he takes a sarcastic shot at the minority side—which is often. He has a profound knowledge of the tariff, talks intelligently about its technicalities, its ramifications and its application; knows finance and governmental administration from A to Z, and, what is more, can tell what he knows in a clear, concise, to-the-point manner.

Nothing really ever disturbs Payne, or confuses him. He tries to make believe that rapid-fire questioning upsets him; but it never really does. When he made his famous two-day speech in the house at the opening of the special session, explaining the tariff bill, he had eight solid hours of nearly continuous grilling at the hands of the whole house—an almost steady stream of questions from members, ranging from queries as to what ad valorem meant, to how many pounds of tea are used each year in the United States, in Germany, in England and elsewhere. And not a single question went unanswered. He evaded one, it was done so skillfully that the questioner seemed satisfied.

Payne has served on the ways and means committee just 20 years. He has been a member of congress for 22 years, and has seen the framing and passage of two previous tariff measures. He is the trusted lieutenant of the speaker, and a most vigorous and consistent always-on-the-job supporter of the house machine. He never walks—he slides along with a sort of waddle. He is big enough around the middle to wear President Taft's trousers, but would be clean lost in his coat.

Clark's Voice.
Champ Clark's principal characteristic is his voice. When properly harassed and working perfectly, Clark has a fog-horn "beat to a frazzle." He is fond of homely phrases; like Uncle Joe Cannon, he often refers to the Bible for an illustrative incident, or a precept, and has a goodly fund of anecdote. There is just a faint suggestion of the south in his speech.

"Miser Speecee-er," says Clark, as he rises majestically, removes his spectacles slowly, swings them around carelessly in one hand, and sticks the other in one of those old-style horizontal trousers pockets that he affects. When he gets "het up" properly, Clark discards the spectacles, and eats little circles in the atmosphere with the frog hand; pounds it on the desk, or else tucks it away in the other capacious trousers pocket. Some times he leans forward and sticks his head out pugnaciously. He has one peculiar mannerism. When he stops to collect his thoughts, he purses up his mouth, and then, suddenly "puffs" vehemently. When he is really excited the puff sounds like a locomotive exhaust. He is tall and well-lit in appearance. He always wears one of the old-style "open-front" collars, and has a penchant for red neckties. He is smooth-faced, with gray hair pretty thickly scattered over his head except in one spot where the pink of his scalp shows.

Champ moves slowly with dignity as hefts all big things. He has a curious little way of poking his shoulders and head forward as he takes each step, and always begins his speeches negligently—muses his opening words up so that hardly any one knows what he is saying. Having thus slurred over "Mr. Speaker" and his opening phrases, however, there is no one in the chamber that can possibly plead inability to hear. He has a monstrous rasping voice that penetrates.

Clark, too, like Payne, has been in congress a long time. His service began in 1896 and he has been returning every two years regularly.

Malaria Makes Pale Sickly Children.
The Old Standard GROVE'S TASTELESS CHILL TONIC, drives out malaria and builds up the system. For grown people and children, 50c.

"Uncle Charlie" Perry 92 Years Young

MR. S. C. PERRY, Age 92.

Mr. Samuel Charles Perry, of Lockport, N. Y., who is 92 years old and a bachelor, retains all his faculties to a remarkable degree. He is as active and vigorous as he was twenty years ago. Recently, when celebrating his 92d birthday, he entertained his friends by playing on the violin, which he has owned for over sixty years, many old-time pieces.

For many years Mr. Perry has been prominent in business and politics.

In his old age he finds Duffy's Pure Malt Whiskey indispensable, and the only medicine to which his vigor is due; he says that it has no equal.

Mr. Perry writes: "The vitality and usefulness of my powers, which I have preserved through a long life up to the age of ninety-two, I attribute partly to moderation in all things, partly to an indisposition to worry and partly to my natural abhorrence of all kinds of drugs."

"In my extreme old age I am exercising the same discretion, with but the one exception that I find Duffy's Pure Malt Whiskey an indispensable medicine. As a tonic and general preserver of health in old age I believe that it has no equal."

Every testimonial is guaranteed genuine and is published in good faith with full consent.

Mr. Perry's case is similar to that of thousands of others, both aged men and women, who have been kept hale, hearty and vigorous by the constant use of Duffy's Pure Malt Whiskey as a medicine. It is a predigested food which has a stimulating and tonic effect upon the system. It builds nerve tissues, prevents decay and keeps the entire system in a normal, healthy condition.

Duffy's Pure Malt Whiskey

If you wish to keep young, strong and vigorous and have on your cheeks the glow of perfect health, take Duffy's Pure Malt Whiskey, regularly, according to direction. It tones and strengthens the heart action and purifies the entire system. It is recognized as a family medicine everywhere.

CAUTION—When you ask your druggist, grocer or dealer for Duffy's Pure Malt Whiskey be sure you get the genuine. It's the only absolutely pure medicinal malt whiskey and is sold in sealed bottles only; never in bulk. Price \$1.00. Look for the trade-mark, the "Old Chemist," on the label, and make sure the seal over the cork is unbroken. Write Consulting Physician, Duffy Malt Whiskey Co., Rochester, N. Y., for a free illustrated medical booklet and free advice.

Notice to Bridge Contractors.

The road supervisor of McCracken county will receive sealed bids and plans at 10 a. m. April 17, 1909, for the construction of one 420 foot bridge across Clark's river, same to be concrete for 300 feet with a steel span of 120 feet with concrete floor. Also one concrete bridge across Perkins creek, 90 feet long. For other information see the road supervisor or George R. Broadfoot, magistrate. The right is reserved to reject any and all bids.

Russia has bought an aeroplane which has not yet flown. The inventor is one of the founders of the Aeroplane Club.

Widow Names Husband's Successor.

Hopkinsville, April 7.—County Judge Charles O. Prowse this afternoon appointed Samuel T. Fruit, father of Christian county to fill the unexpired term of the late W. W. Johnson. Mr. Fruit, who has been making his home with Mrs. Johnson's family, was appointed at the request of the widow. He is a young lawyer and a candidate for county attorney.

Lady—And you say that you follow two of the most popular professions?

Hobo—Yes, mum, in winter I am a baseball player, and in the summer I am an actor. Dat is why I never work.

The fool has two extremely difficult tasks, to know himself and to keep others from doing the same.

New Designs For the Currency.

Washington, April 7.—Assistant Secretary of the Treasury Coolidge has approved a plan for systematizing designs for United States notes and coin certificates, thus carrying into effect a scheme of uniformity in portrait and general design for notes of the same denomination of each class.

At present there are 19 different designs for United States notes and coin certificates of various denominations, leading to confusion and uncertainty. Under the new plan there will be but nine and the possibility of confusion will be reduced to a minimum.

Under the plan adopted all classes of notes of each denomination will carry the same portrait.

The one dollar silver certificate will carry the portrait of Washington, the two dollar silver certificate the portrait of Jefferson. The five dollar

note, whether silver certificate or greenback, will carry the portrait of Lincoln; the ten dollar gold and silver certificate, that of Cleveland; the twenty, that of Jackson; the fifty dollar, that of Grant; the one hundred dollar, that of Franklin; the five hundred dollar, that of Salmon P. Chase; the one thousand dollar, that of Alexander Hamilton.

The eagle, the buffalo and the Indian head, which have proved to be easily counterfeited, will disappear.

Rheumatism Cured.

To anyone suffering with rheumatism I will say I was confined in bed and unable to walk, even with sticks, for six weeks. My family physician said I was bound to grow worse as I grew older. I took a bottle of Hays' Specific. One bottle cured me sound and well. I have gained ten pounds in weight and can eat any kind of food without pain.

Easter Egg Hunt AT WALLACE PARK

Next Sunday Afternoon, April 11

Thousands of candy eggs are to be hidden within the Chautauqua grounds, and the prospects are that every child will find one egg. "Sharp eyes" may find many more than one. Prizes will be given to the finders of the gold, silver and bronze eggs.

First Prize, Gold Egg, Three Silver Dollars.

Second Prize, Silver Egg, Two Silver Dollars.

Third Prize, Bronze Egg, One Silver Dollar.

Old folks, bring the children, let them enjoy the fun, and get some fresh air yourselves.

THE NEW ARROW COLLAR And the New Tie

The TREMONT is the newest collar conceit—a collar that combines comfort with smart appearance and the well known Arrow quality.

The tie for it is the one inch four-in-hand which comes in a host of the new solid shades.

To be correct, get them at once.

IN SOCIAL CIRCLES

Author of Play.
Miss Clara Smith, a member of the senior class of High school has written a clever musical comedy, entitled "Three Days of Grace." The comedy will be presented at the High school on class night by her classmates. The play is a lively one, and contains some parodies on the popular songs of the day. Miss Smith is a talented girl, and only recently received second honors in an oratorical contest.

Class Social.
Thursday evening at 8 o'clock a joint business meeting of the Baraca Bible class and the Philathea class of the Fountain Avenue Methodist church will be held in the Baraca rooms in the church. A social session will follow the business meeting. All members urged to be present, as business of importance will come up and the social to follow the business meeting will be very enjoyable.

Matinee Musical Club This Afternoon.
The Matinee Musical club met this afternoon at the Woman's club building. Mrs. George B. Hart and Mrs. Frank Burns have charge of the program, assisted by Mrs. Clara Rader Hecht and Miss Mabel Shelton. The program is as follows:

Concerto Valse, Rudolph Frimé—Mrs. George B. Hart.
(a) "Where the Lindens Bloom," Dudley Buck; (b) "Sweet Awakening," Meyer-Helmund—Mrs. Hecht.
(a) (Sparks) Etchells Moskowsky; (b) Caprice Espagnol, Moszkowski—Mrs. Burns.

Descriptive Analysis of Ballad in A Flat No. 3 Chopin. written by Edward Baxter Perry, read by Mrs. Hubbard S. Wells. A Flat Ballad No. 3 Chopin—Mrs. Hart.

Descriptive Analysis of Ballad in G Minor No. 1, Chopin. written by Mr. Perry—Mrs. Wells. Ballad in G Minor No. 1, Chopin—Mrs. Burns.

"The Bird and the Rose"—Hornbush—Miss Mabel Shelton.
(a) (Nuptials) Spozialia F. Liozot; (b) Roudou Brilliant, Von Weber—Mrs. Hart.

Easter Dance for Visitor.
An Easter dance will be given the first of the week, though the exact date has not yet been fixed. It will be a list dance in honor of visitors in the city and will be at the Three Links building. The list goes on at Cullen's tomorrow. It will be either Monday or Tuesday of Easter week.

Lamb-Gresham Wedding This Morning.

A beautiful morning wedding was that of Miss Reubie Estelle Lamb and Mr. Roy O'Hara Gresham today at the First Baptist church. The church was charmingly decorated for the occasion. Palms and ferns were banked at the altar in a pyramid effect, and formed a bower that screened the organ and the singers who took part in the musical program. The color-motif was white and green. A wedding bell in these colors hung from the central archway back of the altar and ropes of smilax extended from this to the organ on one side and on the other side was caught by two white doves perched from a circle of green, which held the smilax chains. The windows were banked with palms and ferns and the balcony was effectively decorated with the southern smilax.

A musical program of unusual charm was rendered before the ceremony. Miss Courtie Puryear presided at the organ and played two organ solos, "Wedding Music" and "A Venetian Love Song" very delightfully. Mrs. James Wellie sang "All for You" most effectively and Mr. Robert D. MacMillan sang "Because" most expressively. The "Bridal Chorus from Rosemaids" was rendered with beautiful effect by Mrs. Lela Wade Lewis, Miss Anne Bradshaw, Mrs. George B. Hart, Mrs. James Wellie, Mr. Slavin Mail and Mr. Robert D. MacMillan just before the entrance of the bride party. It was the first time this chorus had ever been sung in Paducah.

The ushers, Messrs. Neal Dowd, Guy Jones, Frank Davis and Dr. Julian Dismukes, entered first, advancing singly down the two aisles. The maid of honor, Miss Willie Willis, followed from the left and the best man, Mr. James Butts, of Louisville, from the right. The ring-bearer, little Miss Lucile Covington, preceded the bride, who entered by the left aisle, as the bridegroom advanced down the right. At the altar they were met by the Rev. M. E. Dodd, who performed the ceremony in an impressive manner. The Lohengrin wedding march was the bridal processional and the Mendelssohn wedding march was the recessional. "The Rosary" was softly played throughout the ceremony.

The bride looked lovely in a coat suit of light grey. Her hat was an art shade of blue and she carried Bride roses. She is a strikingly pretty girl of the blonde type. The maid of honor was charming in a coat suit of pastel shade with hat of harmonizing tints. She carried pink carnations. The little ring-bearer was a dainty picture. She wore a pretty frock of pink and a picture hat trimmed in lilacs-of-the-valley. She carried the ring in a Calla Lily.

Mr. and Mrs. Gresham left at noon for an eastern bridal trip. They will be at 422 North Seventh street on their return.

A PROMINENT DRUGGIST

Stakes His Reputation On the Merits of a Hair Restorer.
Mr. W. J. Gilbert, a well-known druggist of this place, personally guarantees that Worth's Sage and Sulphur Hair Restorer will positively bring back the color of the hair, and that it will also remove dandruff, stop the hair from coming out and make it grow. A druggist must know what he is talking about before he will, on his own responsibility, say this much for a remedy, and a remedy so highly indorsed certainly deserves to be given a fair trial.

Probably there is not one out of a hundred people that has such a head of hair as Nature intended they should have, and such as they might have if they would only use something which would keep their scalps free from dandruff and cure itching scalp, falling hair and other troubles of the sort.

Mr. W. J. Gilbert says Wyeth's Sage and Sulphur Hair Restorer will do all this and also restore the natural color of the hair. It would seem that, with his knowledge of drug chemistry, his judgment in the matter might be relied on. At any rate, with his guarantee that the remedy will do all that is claimed for it and that he will refund the money if it doesn't, a person takes no risk in trying one of the 50c or \$1.00 bottles which may be had at W. J. Gilbert's Paducah, Ky.

girl of the blonde type. The maid of honor was charming in a coat suit of pastel shade with hat of harmonizing tints. She carried pink carnations. The little ring-bearer was a dainty picture. She wore a pretty frock of pink and a picture hat trimmed in lilacs-of-the-valley. She carried the ring in a Calla Lily.

Mr. and Mrs. Gresham left at noon for an eastern bridal trip. They will be at 422 North Seventh street on their return.

Engagement Announced.

Announcement has been made of the engagement and approaching marriage of Mr. James Roy Murray, of San Antonio and Eagle Pass, Tex., and Miss Florence Grace Drake, of Fort Worth, which will be solemnized at high noon at St. Thomas Episcopal church, Fort Worth, May 21. Mr. Murray is a brilliant young attorney, son of Hon. Thomas J. Murray and his law partner. The prospective bride is a beautiful and highly accomplished young lady, a member of Fort Worth's exclusive circle.

U. D. C. Chapter.
Paducah chapter, U. D. C., will meet at the Woman's club building tomorrow afternoon at 2:30 o'clock. Mrs. Joseph Thompson and Miss Ada Thompson are hostesses for the afternoon.

Program With Social Hour at Broadway Methodist Church Tonight.

The Woman's Missionary society of the Broadway Methodist church will have charge of the prayer service this evening at 7:45 o'clock. The following program will be presented:

Ten minute talk on "Foreign Missions"—Rev. G. T. Sullivan.
Recitation—Little Miss Sarah Conner.
Paper, "Woman and the Evangel"—Miss Susan W. Morton.

Four ten-minute talks on "Korea, the Miracle of Modern Missions." Women of Korea—Mrs. Mildred Davis.

Vocal Solo—Mr. John U. Robinson.
Conversion of a Korean Family, Which Resulted in the Establishment of the Church—Mrs. Frank Dunn.

School at Sonjo—Miss Luella Blackard.

A social hour will follow the program. Light refreshments will be served in the League parlors upstairs. The free-will offering is for the benefit of the Women's Foreign Missionary society of the church.

How One Washerwoman Was Converted to the Fels-Naptha Way.

Anty Drudge—"Why, bless my soul! Mrs. Old School, the washerwoman has seen the light at last and has adopted the Fels-Naptha way of washing."

Grocer's Boy—"She was forced to it, Anty Drudge. Mrs. Millionaire, her best customer, told her that if she didn't use Fels-Naptha she'd take her washing away. Was tired, she said, of having her clothes come back all yellow and some with streaks of dirt still in them."

A generation or so ago, if a woman had an errand she walked—she had to, there was no other way.

Later she could do it in half the time by riding. Now she can do it almost instantly, by telephone.

That's Progress, and Progress is made possible by science.

Fels-Naptha is science applied to the washday problem, and its results are just wonderful.

Formerly washday was a time of sickening odors, back-breaking labor, a disordered house and the severest test on the clothes. This was necessary. There was no other way.

The Fels-Naptha washday—the scientific washday—isn't a washday at all in the old sense; merely an incident in the routine of household duties.

And if directions on the red and green wrapper are followed, the result is certain.

ALL PRINCIPALS ARE RE-ELECTED

Committee Will Report on Teachers at May Meeting.

Contract Closed With May & Starks to Take Census of Scholastic Population.

MUST BORROW MONEY AGAIN

At the regular meeting of the school board last night at the Washington building all the principals of the schools were re-elected for a period of one year and all the salaries fixed the same per month except the principal of the Whittier building, who will receive a raise of \$5 the month.

The principals re-elected were: W. H. Suggs, M. E. Ligon, J. T. Ross, J. M. Calvin, A. M. Ragsdale, Emma I. Morgan, H. L. Donovan. For the colored schools G. W. Jackson and T. D. Hibbs. The salaries were fixed for the buildings as follows: Washington, \$150; Franklin, \$100; Jefferson, \$95; Robert E. Lee, \$95; Longfellow, \$85; McKinley, \$85; Whittier, \$80; Lincoln, \$70; Garfield, \$60.

The resignation of Addie Howell Parrott as teacher of the first grade at the Garfield building to take effect Friday, April 16, was accepted. Maggie B. Pearson was elected to fill the vacancy at the Garfield school, the salary to remain the same. The committee on teachers and course of study was instructed to have the recommendations of the teachers to be elected for the next school year ready at the regular meeting in May.

The committee preparing for the graduating exercises to take place at the Kentucky was informed by Superintendent Carnagey that the colored schools would not have any graduating exercises this year on account of another year being added to the High school course this year. All pupils that would graduate this year will have to go another year before they can get diplomas.

The report of the finance committee showing a balance on hand April 1 of \$4,941.68 was received and filed. The reports of Superintendent Carnagey and Fred Hoyer, superintendent of buildings, for March were received and filed.

Before reading the amount of the pay roll and the miscellaneous bills, Trustee Kelley read a resolution, which was seconded by Trustee Winstead and then adopted that the president of the board and the finance committee be authorized to borrow money, not to exceed \$15,000, to carry the schools through this school year, and this money to be paid back out of the first funds available after the middle of June.

Trustee Clements, chairman of the finance committee, read the report of the pay roll and bills for March. Pay roll \$5,424.21 and bills \$253.30. The report of the committee on the pay roll was received and warrants ordered drawn on the treasury for the payment and the report of the committee on the miscellaneous bills was received and filed.

ACTUAL STARVATION.

W. B. McPherson Gives Facts Regarding Dyspepsia.

Although indigestion and dyspepsia are so prevalent, most people do not thoroughly understand their cause and cure. There is no reason why people should not eat anything they desire—if they will only chew it carefully and thoroughly. Many actually starve themselves into sickness through fear of eating good-looking, good-smelling and good-tasting food, because it does not agree with them.

Dieting cannot cure Dyspepsia. If we refuse every article of food that disagrees with us, before long we have nothing left, and find ourselves chronic dyspeptics.

We can cure Dyspepsia. We are so confident of this fact that we guarantee a cure, and promise to supply the medicine free of all cost to every one who will use it, who is not perfectly satisfied with the result which it produces. We exact no promises, and put no one under any obligation whatever. Surely, nothing could be fairer. We are located right here in Paducah, and our reputation should be sufficient assurance of the genuineness of our offer.

We want everyone in Paducah who is troubled with indigestion or dyspepsia in any form to come to our store and get a box of Rexall Dyspepsia Tablets. Take them home and give them a reasonable trial, according to directions. They are very pleasant to take; they soothe the irritable stomach, strengthen and invigorate the digestive organs, promote a healthy and natural bowel action, immediately relieve nausea and all stomach irritation, produce a perfect and healthy digestion and assimilation, and promote nutrition.

A 25c package of Rexall Dyspepsia Tablets furnishes 15 days' treatment. In ordinary cases, this is sufficient to produce a cure. In more chronic cases, a longer treatment, of course, is necessary, and depends upon the severity of the trouble. For such cases, we have two larger sizes which sell for 45c and 89c.—W. B. McPherson, Paducah, Ky.

NEW BREAD CAUSES STOMACH DISTRESS

You Like it But Don't Dare Eat it For Fear of Indigestion.

You can eat anything your stomach craves without fear of a case of indigestion or dyspepsia, or that your food will ferment or sour on your stomach if you will take Diapiesin after eating.

Your meals will taste good, and anything you eat will be digested; nothing can ferment or turn into acid or poison or stomach gas, which causes Belching, Dizziness, a feeling of fullness after eating, Nausea, Indigestion (like a lump of lead in stomach), Bloating, Heartburn, Water brash, Pain in the stomach and intestines or other symptoms.

Headaches from the stomach are absolutely unknown where this effective remedy is used. Diapiesin really does all the work of a healthy stomach. It digests your meals when your stomach can't. Each triangle will digest all the food you can eat and leave nothing to ferment or sour.

Get a large 50-cent case of Pape's Diapiesin from your druggist and start taking today and by tomorrow you will actually brag about your healthy, strong stomach, for you then can eat anything and everything you want without the slightest discomfort or misery, and every particle of impurity and Gas that is in your stomach and intestines is going to be carried away without the use of laxatives or any other assistance.

received and warrants ordered drawn on the treasury for the payment when the money is available.

Trustee Kelley made a motion for the board to purchase six dozen chairs to be put in the different buildings at a cost of \$8.40 the dozen. Nothing was done with the motion, as the school board is financially embarrassed. The rooms are in need of chairs for visitors, but the board thought the schools could go through this year without new chairs and maybe by next year there will be more money in the treasury and chairs can be purchased.

School Census.

Messrs. F. B. May and O. B. Starks were appointed by the committee on boundaries to take the school census. Messrs. May and Starks gave bond and it was accepted by the board. The question of having three extra copies of the census made was referred to the committee on boundaries to make the best contract possible.

President Hills brought up the question of sanitation at the Jefferson school, which the city health department said is in a bad condition. Professor Ross, principal of the Jefferson school, informed the board that the sanitary conditions of the building have been improved since the health department visited the school, and that now the sanitary condition is as good as that of any of the other buildings in the city. Superintendent of Buildings Hoyer also said that the sanitary conditions of the Jefferson school building are in the best possible condition under the circumstances. The committee on sanitation was instructed to confer with Health Officer Sights on the question.

The principal of the Lee building asked that the iron fence, which was taken down when new sidewalks were put down, be put back. The fence is a great help in restraining the children from getting out on the streets. Mr. Hoyer said he would put the fence up during vacation and it wouldn't cost the board anything.

Those present last night were: Trustees Hills, Ferguson, Pettit, Winstead, Judd, Clements, Kelley, Treadway and Price. Trustees Karnes, Nelhouse and Jacobs were absent.

Report of Superintendent. Superintendent Carnagey's report follows:

The report for the school month ending March 26, is as follows:

New pupils entered..... 64
Total enrollment for month..... 3,061
Total gains for month..... 253
Total losses for month..... 229
Number belonging close of February..... 2,746
Number belonging close of March..... 2,762
Average daily attendance for month..... 2,558
Average daily absence month..... 246
Number cases tardiness month..... 357
Number cases corporal punishment..... 2
Number cases of truancy..... 14
Total enrollment since September 11, 1908..... 3536
I am glad to say that the above figures indicate regular attendance in all the schools. The attendance of pupils was more regular than it has been for several months, though there are still cases of contagious diseases in scattered localities.

I am glad to report that the health of our teachers has been unusually good during the month—one teacher only missing a single day.

I can not refrain from saying that I believe the esprit de corps is higher among our teachers than it has ever been before.

"As is the teacher, so is the school," is a truth that can not be too strongly urged. I do not believe Paducah's schools ever had a stronger and more devoted corps of teachers

than they have at the present time. Our teachers are not all equally capable and efficient, of course, and there is still room for improvement and growth. The regulation of the board requiring some training and experience in teaching before a person is eligible to a regular teacher's place is bearing fruit, and is proving the wisdom of the board's action. If the present and future boards of education will consistently carry out this policy the schools of Paducah will become more and more efficient.

The reports of the superintendent of buildings and my own investigations and observations show that the janitors are doing more effective work. Our buildings and grounds are kept cleaner than ever before and their sanitary condition is much improved.

One or two of the janitors can still improve, but they promise better service.

The improved sanitary conditions of our schools will not only help to keep our pupils in better health, but they will be thereby enabled to do better school work.

The public, first of all, and teachers and school officials must sooner or later learn that those schools are best where efficiency of employees and careful oversight of physical surroundings are held at a premium and that the poorest schools are those in which favoritism, inefficiency and slipshod methods are winked at or openly upheld.

Addie H. Parrett, a teacher in the Garfield school, has tendered her resignation to take effect April 16, 1909. Very respectfully,

J. A. CARNAGEY, Supt.
April 6, 1909.

EPISCOPAL COUNCIL

WILL MEET DURING THE NEXT MONTH AT HENDERSON.

Bishop Woodcock to Preside and Two Hundred Delegates Are Expected to Attend.

Henderson, Ky., April 7.—Elaborate plans are being made by St. Paul's church vestry for the reception and entertainment of the delegates to the annual council of the Protestant Episcopal church of the diocese of Kentucky, which is to be held in St. Paul's church, this city, from May 25 to May 27 inclusive.

It is expected that nearly 200 delegates, of which 30 or more are rectors, will be in attendance. The sessions will be presided over by Rt. Rev. Charles E. Woodcock, of Louisville, bishop of Kentucky. Every parish or mission in the state is pledged to send at least one delegate.

The work of the council will be done very largely by committees. The communicants have raised and carried along the following named institutions: Orphan asylum, Orphanage of the Good Shepherd, Home of the Innocents, Church Home and Infirmary, the John N. Norton Memorial Infirmary, all of Louisville, and all of which are officially conducted.

Besides the convention of men there will also be an annual meeting of the Woman's auxiliary, which is the auxiliary of the board of missions. The auxiliary has contributed nearly \$1,000 for mission purposes and has sent materials for hospitals and schools to Alaska, and conducts study classes for the intelligent apprehension of the work itself. This branch of the church also conducts a periodical club, their business being to gather magazines, periodicals and books from those who have them and send them to those who have them not. There will be about 50 or 80 members of the auxiliary in attendance on the council.

Many matters of importance to the Episcopal church will come up at this meeting and will be passed on.

LIVESTOCK.

Louisville, K., April 7.—Cattle—Receipts 66, for two days 1,495. The market was quiet today, but little doing, and no material changes noted in values. Fair inquiry for choice light butcher cattle, others dull and draggy. Not much doing in the feeder and stocker department. Bulls steady, canners and cutters slow. Milch cows unchanged. No heavy cattle here, feeling about steady. We quote: Shipping steers \$4.75 @ 6.00, butcher steers and fat heifers \$3.00 @ 5.25, fat cows \$3.00 @ 5.00, cutters \$2.00 @ 3.00, canners \$1.50 @ 2.00, bulls \$2.00 @ 4.25, feeders \$3.50 @ 5.00, stockers \$2.25 @ 4.50, choice milch cows \$3.50 @ 4.50, common to fair \$1.50 @ 2.50.

Calves—Receipts 160, for two days 302. Market steady on choice, bulk

St. Louis, April 7.—Cattle—Receipts 5,000, including 1,600 Texans; market steady to 10c lower; native beef steers \$3.50 @ 6.90; stockers and feeders \$3.75 @ 5.50; cows and heifers \$3.50 @ 6.15; calves \$5.50 @ 7.75; Texas and Indiana steers \$4.00 @ 6.25; cows and heifers \$2.75 @ 5.25. Hogs—Receipts 9,500; market steady; pigs and lights \$4.50 @ 6.95.

20 Years With Heart Trouble

"Dr. Miles' Heart Remedy has cured me of heart disease of over 20 years' standing. I was so bad that I could not do my work, and could scarcely draw a full breath without fainting or smothering. The doctor told me he could do no more for me; then I commenced taking the Heart Remedy. I shall never forget that night. I slept better than I had before in months. I kept right on getting better, until I was perfectly well."

MRS. LAURA RUSSELL, Logan, Iowa.

When the heart action is weak, it fails to pump the blood through the lungs with sufficient rapidity. Then the lungs do not absorb the proper amount of oxygen, although they may be taking in a normal amount of air. The result is shortness of breath, smothering spells, difficult breathing, oppressed feeling in chest. Dr. Miles' Heart Remedy strengthens the heart nerves and muscles, and in this way increases the circulation.

Get a bottle from your druggist. Take it according to directions, and if it does not benefit he will return your money.

Make a note now to get Ely's Cream Balm if you are troubled with nasal catarrh, hay fever or cold in the head. It is purifying and soothing to the sensitive membrane that lines the air-passages. It is made to overcome the disease, not to fool the patient by a short, deceptive relief. There is no cocaine nor mercury in it. Do not be talked into taking a substitute for Ely's Cream Balm. All druggists sell it. Price 50c. Mailed by Ely Bros., 56 Warren street, New York.

Mrs. Goranilo's Death. Elizabethtown, Ky., April 7.—Mrs. Maggie Goranilo, widow of Henry Goranilo, and a well known woman of this city, died this morning of a complication of diseases, aged 68 years. She is survived by one daughter, Miss Anna Goranilo and four sons, Messrs. Henry, John, Jacob and Benjamin Goranilo. The funeral will take place tomorrow at the Presbyterian church.

HIGH-O-ME

That's the Way to Pronounce Hyomei, the Money-Back Catarrh Cure. As doubt exist in the minds of many readers of the Sun let us say that the above is the proper pronunciation of America's most wonderful catarrh cure. Gilbert's drug store is the agent for Hyomei in Paducah and he will sell you an inhaler, a bottle of Hyomei, and full instructions for use, for only \$1.00.

And if it fails to cure acute or chronic catarrh, asthma, bronchitis, croup, hay fever or coughs and colds, he will give you your money back. The person who suffers from catarrh after such an offer as that, must like to shuffle, spit and wheeze, and be generally disgusting.

Read what Mr. Lowe, a respected citizen of Allegan, Mich., says of Hyomei:

"I have used Hyomei for a case of nasal catarrh which had bothered me for a long time. I can say that Hyomei killed the germs of the disease and gave me the much sought and needed relief. From this experience I know Hyomei to be a reliable remedy, and I give it the praise and recommendation that it deserves."—G. F. Lowe, R. F. D. No. 7, Allegan, Mich., September 19, 1908.

MI-ONA Cures Dyspepsia.

Your money back if it don't. Gives immediate relief from heartburn, sour stomach, stomach distress and sick headache. 50 cents a large box at

GILBERT'S DRUG STORE.

BISCOE HINDMAN

COMPELLED TO PAY FOR LOST REVOLVER.

Was Stolen From Him While Militia Was Encamped at This City.

Frankfort, Ky., April 7.—Civil and perhaps penal action before a court martial is in store for several officers and men in the Kentucky state guard unless they make restitution to the state or property which will allot to them and for which no accounting has been made. The law provides that the action now against persons failing to make return of property issued to them shall be begun by the attorney general and shall take the adjutant general or if the governor sees fit, the officer or militiamen who is in debt to the state may be court martialled. The constitution gives the court martial almost plenary power and the court can sentence a man to the penitentiary, or put him in jail, as well as impose a fine.

Biscoe Hindman, formerly colonel of the First Kentucky infantry, has settled with the state for a revolver that he lost while at the encampment in Paducah several years ago. He was charged up with the revolver and turned in an affidavit showing that the weapon was stolen from him while he was at supper in the camp. The war department at Washington refused to accept this as an excuse, and charged up the state with the cost of the revolver, \$11.00, and the state went after Colonel Hindman, who has settled in full.

Jefferson Club Meets.

The Jefferson club, a Democratic organization, held a meeting last night at the headquarters, over Latham's saloon on South Fourth street. A small crowd was in attendance, and spent the evening smoking, while a number of orators entertained them with speeches. The speakers were: John Moor, of LaCenter, candidate for state senate; Police Judge D. A. Cross, Oscar Kahn, candidate for police judge; County Attorney Alben Barkley, Hal S. Corbett, J. C. Flournoy, J. S. Ross, and William F. Bradshaw, Jr.

There are villages in the Alps and Pyrenees where electric power is so cheap that it does not pay to turn off the lights on leaving a room.

NOTICE.

I urgently request all persons indebted to me to make settlement before the first day of May, 1909, as I will after that date bring suit on every unpaid note and account due me. Now your account is to each of you a small matter, while the whole is to me very important. I shall deal with all alike; if you don't pay you may know that you will be sued, whatever your name or color may be. I hate to do this, but I am forced to it in self-defense. If you have not the money and will borrow it to pay me in full by the first day of March, 1909, I will deduct 10 per cent from your account, thereby paying the interest myself. Is this not as fair as any sane man can ask?

PADUCAH, KY.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, brick-dust or sediment in the urine, head ache, back ache, lame back, dizziness, sleeplessness, nervousness, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles almost always result from a derangement of the kidneys and better treatment of the kidneys is obtained quickest by a proper treatment of the kidneys. Swamp-Root corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root, the great kidney remedy is soon realized. It stands the highest because of its remarkable health restoring properties. A trial will convince anyone. Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root. If you do you will be disappointed.

I. C. OFFICIALS

PASS THROUGH PADUCAH EN ROUTE TO LOUISVILLE.

President Harahan And Party Have Been Inspecting Birmingham Lines.

Paducah was visited this morning by three of the higher officials of the Illinois Central railroad. In the special were President J. T. Harahan; Vice-president I. G. Rawn, and General Manager F. B. Harriman. The officials were on a special train that arrived at 10 o'clock from the south, and left a short time later for Louisville. The officials have been down on the Birmingham division, and went to Louisville to confer about the new railroad station. The officials were met in Paducah by A. H. Egan, L. E. McCabe, J. H. Nash and B. J. Feeney.

Passengers in Panic.

New York, April 7.—Passengers on the steamer Havana, of the Cuba and New York line, were panic stricken this morning when the Havana, after leaving Quarantine, rammed the Munson line freight, Cuban, damaging her. It was necessary to beach the Staten Island short. Passengers were calmed and the Havana proceeded port.

Louisville Tobacco.

Louisville, April 7.—Pickett warehouse sold 22 hhds, dark at \$3.95 to \$9.50.

Captains and players of the basketball league will meet tonight at the Paducah Traction company's offices to discuss plans for next season.**A fireman's taste seldom runs to burnt wood.****IT'S YOUR KIDNEYS.**

Don't Mistake the Cause of Your Troubles—A Paducah Citizen Shows How to Cure Them.

Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they may lead to diabetes or Bright's disease. The best remedy to use is Doan's Kidney Pills. It cures all ills which are caused by weak or diseased kidneys. Paducah people testify to permanent cures.

Mrs. R. E. Whitner, 820 South Sixth street, Paducah, Ky., says: "For years I was a sufferer from backache and kidney trouble. At times my back was lame and I was unable to get around on account of a severe pain across my loins and left side. I doctored but received very little benefit until I began using Doan's Kidney Pills which I procured at DuBois Son & Co.'s drug store. I believe that I would now be confined to my bed were it not for Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

BOOZE FIGHTING IS PROHIBITED

Firemen and Policemen Sober at All Times.

Commissioners Make No Exceptions When a Man is Off Duty Hereafter.

HOLLOWELL-BRYAN HEARING

Fireman Ike Hollowell was discharged from the fire department and Patrolman John Bryan was reinstated last night by the board of police and fire commissioners, who aired the trouble between Hollowell and Bryan last week. The two men were charged with fighting and both have been off duty for several days, and last night were "on the carpet."

The evidence as given by witnesses was that Hollowell went to the home of Bryan, where he and his daughter boarded. He was drunk, Bryan stated, and used ugly language in the house, as well as abused his daughter. While in the kitchen some one screamed for help, and Mr. Bryan went into the room and struck Hollowell over the head with his police club. Hollowell admitted that he had been drinking during the day, but denied that he was drunk, saying that he knew everything that transpired.

The board went into secret session and after considerable discussion Hollowell was discharged while Bryan was reinstated. The commissioners are strict about the city employees drinking, and prohibit a man getting drunk whether on or off duty. Fire Chief Wood testified that Hollowell was drinking, but that he was a good fireman, and had been in the department about seven years. This was his third spree in that time. Four firemen were present at witnesses, and the board laid down the rules to them about drinking on or off duty, and Mayor Smith read a written opinion from Judge Ed C. O'Rear to the effect that firemen or police could be discharged at any time whether charges were preferred or not.

SELF DENIAL

WEEK FOR SALVATION ARMY IS APPROACHING.

Contribute to Promotion of Work of Organization by Giving All They Can To It.

The Salvation Army is actively engaged in preparing for its annual week of self-denial, which has now become an established custom throughout the world. Last year the army raised a large sum by this means, which enabled it to pursue its missionary, spiritual and social work with uninterrupted success. The army always adopts some very self-sacrificing measures in order to raise the amount of money agreed upon every member, as well as the friends of the movement, is being requested to abstain from any article of food or clothing which may be considered in the least degree luxurious, or unnecessary, and many of the officers are even denying themselves of that which many of us are apt to regard as absolute necessities in order that they may contribute something to the common fund. That the effort will meet with success goes without saying, and there is no doubt that the friends of the movement, recognizing the vast amount of good already accomplished, will not fail to afford their practical recognition by forwarding their donations to the officers' quarters, 222 Tennessee street, or call phone, new 1229, and officers will call. Captain Arthur E. Stanton, Salvation Army, 222 Tennessee street Paducah, Ky.

FOUGHT WITH EDITOR.

Candidate For Mayor and Publisher Pummel Each Other.

Little Rock, Ark., April 7.—George C. Naylor, manager of the Arkansas Democrat, and Dr. J. F. Hammett, independent candidate for mayor of Little Rock, had a rough-and-tumble fight in the Democrat office. The trouble was caused by an editorial in the Democrat attacking Hammett's candidacy. Hammett called at the office and attacked Naylor, who assumed responsibility for the article. After fighting for several minutes in Naylor's office it is said that Hammett fell down a long flight of stairs and left the building. Both men received several bruises.

—Miss Lucy Overby, the daughter of Mr. and Mrs. H. C. Overby, was operated on yesterday afternoon at Riverside hospital for appendicitis. Although her condition is serious her recovery is looked for. Last night she had a quiet night, and today her condition was improved.

HOW CAIRO IS CLEANING UP

People Urged to Place All Rubbish in Streets Thursday.

Ladies Have Charge—Teams in Every Precinct Will Remove Refuse Beginning Early in Morning.

HEALTH OFFICERS WORKING

Cairo, Ill., April 7.—The Civic Improvement committee of the Woman's club met in conference with the mayor and chairman of the street committee of the city to complete plans for "Clean Up Day" Thursday.

Reports of teams and laborers for use on that day were heard and Mr. Meehan will have the management of the teams and men arranging them according to the territory to be covered.

E. A. Smith has consented to furnish the dumping ground and will place men to instruct teamsters what ground to use.

Teams will begin at the southeast boundary of each ward at an early hour and it is important that all be ready that all refuse may be taken up and no time lost.

Superintendents have been ap-

Aids Nature

The great success of Dr. Pierce's Golden Medical Discovery in curing weak stomachs, wasted bodies, weak lungs, and obstinate and lingering coughs, is based on the recognition of the fundamental truth that "Golden Medical Discovery" supplies Nature with body-building, tissue-repairing, muscle-making materials, in condensed and concentrated form. With this help Nature supplies the necessary strength to the stomach to digest food, build up the body and thereby throw off lingering obstinate coughs. The "Discovery" re-establishes the digestive and nutritive organs in sound health, purifies and enriches the blood, and nourishes the nerves—in short establishes sound vigorous health.

If your dealer offers something "just as good," it is probably better FOR HIM—it pays better. But you are thinking of the cure not the profit, so there's nothing "just as good" for you. Say so.

Dr. Pierce's Common Sense Medical Adviser, In Plain English, or, Medicine Simplified, 1608 pages, over 700 illustrations, newly revised up-to-date Edition, paper-bound, sent for 21 one-cent stamps, to cover cost of mailing only. Cloth-bound, 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.

pointed in each block to oversee the work of taking up the trash and leaving the streets in tidy condition.

The health officer has been furnished with localities complained of and will notify keepers of such premises to "clean up and keep clean."

The committee appreciates the assistance and encouragement of the mayor, Mr. Meehan, the press and all citizens who have shown interest in the movement. If we do not at first succeed we'll try, try again.

It is just as easy to say kind words as the other kind—and they pay better.

POLITICIANS GET SOME SURPRISES

In City Election in Chicago
Yesterday.

Sherman Loses By 300 on Sunday
Saloon Closing Platform in
Springfield.

ONE TOWNSHIP GOES DRY

Chicago, April 7.—In the city election the "little ballot," containing the proposition for a tax levy to erect a tuberculosis sanitarium and the annexation of Evanston and Orlero, carried by a large plurality, but the politicians were given several surprises in the make up of the new council.

Evanston annulled the annexation by voting against it, 4 to 1. Less than half the registered voters went to the polls, the total vote being a little over 100,000.

The Republicans elected Isaac N. Powell, city treasurer, by a plurality of 10,000, but the Republican candidate for city clerk was defeated by F. D. Connerly, Democrat, by a margin of less than 3,000 votes.

In the council fight the work of the Municipal Voters' league was effective in defeating four aldermen of the so-called "gray wolf" element. In the third and Alderman Milton J. Foreman won easily. In the Seventh Prof. Charles E. Merriman of the University of Chicago, was elected by a tremendous majority. The two parties came out about even in the council.

New Trier township voted itself "dry" territory driving out the saloons in Gross Point, where the Fort Sherman soldiers gathered. The final returns show the Democrats and the Republican elected an equal number of the new council members, seventeen being credited to each party. With the holdovers this makes the council Republican by a majority of 12. The town of Cicero defeated the annexation proposition.

Schnepf Beats Sherman.
Springfield, Ill., April 7.—Former Lieut. Governor Sherman was defeated for mayor of Springfield by John S. Schnepf, Democrat, by 300 votes. Sherman ran on the law enforcement platform, pledging Sunday saloon closing. Schnepf also promised reform, but was silent on the Sunday closing proposition.

Elections in Wisconsin.
Milwaukee, Wis., April 7.—Municipal elections were held in a large number of cities throughout Wisconsin today, the issue of "license" or "no license" being at stake. License carried in a majority of the cities and towns thus far heard from. The following were carried for "license": Beloit, Baraboo, Appleton, Sparta, Oshkosh, Plainfield, Platteville, Plymouth, West Salem, Broadhead, Fenimore, Barron, Ashland, Galesville, Rhinelander, Eagle River, Stanley, Blanchardville.

Towns voting "dry" are: Mondovi, Eleva, Gilmanton, New Lisbon, (tie) Sturgeon Bay, White Hall, Grantsburg, Richmond, Stoughton, Albany, Decatur, Black Earth, Lodi, Bloomington.

The Democrats carried Oshkosh in the mayoralty race, J. C. Voss defeating Mayor Branderob. Republican by 200 majority. The Democrats also carried Sheboygan, Darlington, Kenosha, Mawaton. The Republicans were successful in Janesville.

Scattering returns from throughout the state indicate that Charles P. Cary, present state superintendent of public instruction, is leading his three opponents in his movement for re-election. John Barnes, state supreme

SUCCESS

It is the verdict of all housewives, bakers and cooks who have used MOMAJA flour for bread making or pastry. It is unsurpassed in choice quality, because it is ground from the best soft wheat raised, and by the best process to retain all the nutriment of the grain. Ask your grocer for it.

F. L. GARDNER & CO.,
Distributors, 1140 Broadway.

court justice, is re-elected without opposition.

At Moline,
Moline, Ill., April 7.—Andrew Olson, the People's candidate, was re-elected mayor. The Republicans elected five aldermen, and the People's party two.

St. Louis Goes Republican.
St. Louis, Mo., April 7.—The elec-

tion of the Republican city ticket by 9,000 votes is conceded by the Democrats. Frederick H. Kreisman, Republican, was elected mayor. The city has been Democratic for eight years.

Republicans Sweep Peoria.
Peoria, Ill., April 7.—Republicans swept Peoria in the municipal election and with the exception of city attorney, elected their ticket. Former

Mayor Woodruff defeated Mayor O'Connor by a majority of 1,800.

Voted Dry.
Chicago, April 7.—The following Illinois towns voted "dry": Wilmette, Kenilworth, Wilmette, Gross Point and Glenco.

Republican Elected.
Kansas City, Mo., April 7.—Incomplete returns at midnight indicated

the election of W. S. Guyer, Republican, as mayor of Kansas City, Kansas.

Dry Gain in Nebraska.
Lincoln, Neb., April 7.—The question of saloon license was the dominating issue in municipal elections in Nebraska and the returns received up to midnight show that the gains, especially in the smaller towns are on the side of the "drys." The most im-

portant dry cities are Kearney and Beatrice. Alliance and Hastings voted "wet".

Race is Close.
Milwaukee, April 7.—A. J. Horlick, Republican was re-elected mayor of Racine. Incomplete returns up to 1 a. m. show the race for state superintendent of public instruction very close.

In Colorado.
Denver, Colo., April 7.—Prohibition was the main issue in the municipal elections in Colorado outside of Denver. The anti-saloon party generally was victorious.

Belle—I wish the Lord had made me a man.
Nelle—Perhaps he has, only you haven't found him yet.—Cleveland Leader.

YOU'LL find us at our best now with our new and beautiful Spring clothes; and "our best" means a good deal. It means as fine an exhibit of high class clothes and good things to wear as you'll ever see. It means a careful selection of the choicest weaves of Europe and America; the latest and best colors and patterns in a season remarkable for new colorings; it means enough of these to give you an almost unlimited field of choice, made upon models carefully designed, perfectly executed by the most skillful workers. It means a stock of fine clothing that would command attention from well-dressed, critical men anywhere in the world. It means all this at your disposal, in a store built and operated for your service, subject to your wishes, devoted exclusively to satisfying the needs of men and young men who want the best.

We sell season after season more and more Roxboro clothes. This season we have prepared for greater sales than ever of these famous clothes. Through closer and closer association our mutual ideas of high quality, of service in merchandise and methods have developed better clothes, finer fashions, new ideas for the exclusive benefit of our critical clientele, until we have gained, with them, the universal recognition which such goods and such methods deserve.

The whole idea of the store is quality; and we will illustrate it with these goods, at \$20, \$22.50, \$25, \$30, \$35 and \$40.

You will also find here a big stock of men's and young men's suits at \$10, \$12.50, \$15, \$18 and \$20. The prices are so low that the values are really worth \$2.50 to \$5.00 more. Worsteds and fine woolsens, in this spring's latest colorings and models; extraordinary values for the prices asked.

OUR BOYS' SHOP shows the very newest extreme fashions. New shades, new patterns, the latest iders, very smart clothes for boys for Easter, and for the coming spring and summer. Double service clothes; fancy weaves, blue, black and dark mixtures—Derby coats, dip front, bloomer pants, \$5 to \$15. Special lines, extraordinary values at \$2.50 to \$5.00.

FOR Easter neckwear, a great showing of the most beautiful goods made. Handsome lines at 50c; new imported fabrics and patterns at \$1.00 and \$1.50. E. & W., Star and Cluett shirts at \$1.50 to \$3.50. Other good lines at 50c and \$1.00. Bright, attractive patterns, strictly in keeping with the high character of our other lines. Hose, all the new shades: Tans, old rose, tobacco brown, blues, purples; they're all here, at either 25c or 50c. We make a specialty of silk hose, silk pajamas and night robes, silk shirts, silk underwear and finest foreign made gloves.

WHEN you see our display of hats for Easter you'll see more good hats than you ever saw before. Ludlows in all styles, shades and shapes at \$3.00. Knox at \$5.00. Stetson's at \$4.00, \$4.50 and \$5.00. "Special" stiff and soft hats for men and young men at \$2.00.

WHERE THE STYLES COME FROM
